# The Visionary

Apostle Nabiyah Baht Yehuda gave her life to the Lord on August 22, 1998, in Brooklyn NY. She was ordained by Pastor Eddie Mason of South Christian Fellowship in McDonough, Georgia. Since then, God has taken her on a journey of truth, intimacy and revelation. She is dedicated to building God's kingdom one fallen or misdirected soul at a time, through her apostolic, prophetic and scribal ministry. Nabiyah, a Hebrew language scholar, received her Masters of Divinity in 2015 then a few years later God directed her to pursue her Doctorate of Ministry.

As a woman of many gifts, Apostle Nabiyah Baht Yehuda is an entrepreneur and scribe. She has authored six books, is the host of Prophetic Chatter, a bi-weekly social media broadcast, principle coach at The 12 Life Coaching & Mentoring and maintains The Chamber Room radio station via Trugod.tv. Through her ministry, The Chamber Room Experience, she tours the country creating atmospheres where people can come and worship God and learn how to get into His presence for increased intimacy. She has been invited to various platforms for workshops, her ministry of dance and as a preacher of God's word. Apostle Nabiyah is the chancellor of Behnee HaNabiim College, an online school with coursework that trains ministry leaders, truth seekers and scholars alike.

Apostle Nabiyah continues to be an example to men and women who have the determination to live up to their full potential in Christ, no matter the circumstances. She is a multi-faceted kingdom leader always ready to release the knowledge and wisdom Holy Spirit has imparted in her and the truth of God's word.

# The Ministry

The Chamber Room Experience is an etched out *moedim* (appointed time) where people gather to soak. I first received the vision in 2009, but did not introduce it until May of 2011 in NYC.

Soaking is a term that came about some years ago which basically means to immerse in His Presence with soothing, prophetic music that speaks of Him and not of you. Every note glorifies Him and reminds us of our covenant with Him and His commitment to us. The Chamber Room has no distractions. Every article there points to Him. People leave refreshed and filled. They also talk of having one in their own homes. That is beautiful, however what He really wants is for the chamber room to be within you. He desires to tabernacle with us. The songs are prophetic and designed to kiss our souls. We cry, repent, worship, and are beautifully broken in His Panim (presence) in order to be built up much stronger. This is a place where we learn about intimacy with Him. We move from a single experience to an intimate relationship. Cheder means chamber, innermost or inward part, within which comes from the root word *chadar*, which means to encompass, surround, & enclosed.

My scripture reference has always been Song of Solomon 1:4 We are invited into the king's chamber. This is an intimate room and designed for intimate contact. We should desire to get as close as possible. He desires to enjoin Himself to us and to tabernacle with His bride.

*Training for Apostolic, Prophetic and Scribal Ministries*

Behnee HaNabiim Apostolic Prophetic & Scribe School is designed for present day scribes. The school is designed to cultivate and unlock the gifts that God has implanted in them. This is not just a "how to" school, but a "get to freedom" environment. Nabiyah found that she had to create a safe environment as well as a place of community for believers that have been overlooked, mishandled, and misunderstood. She believes firmly in the fact that where the Spirit of the Lord is there is liberty. The online school is made for prophetic people and for those who desire to truly know God and His heart beat for their lives. Classes are taught seasonally and as God leads. Regardless of what classes are taught, the component of Intimacy with our Creator is heavily present. Nabiyah believes that without it, we have no authentic or effective ministry.

Some of the classes Nabiyah teaches are:

- The ministry of prophetic movement
- The life of a scribe-biblical foundations
- Soul issues that hinder progress
- Intimacy with God
- Basic Hebrew
- Banners - prophetic sign language
- Journal your way to healing

The Chamber Room [Experience] is something that you just have to experience yourself. The atmosphere is set up so that one can soak with Father like you never have before. If that is something you need then this is the place to do it.

I absolutely love the Chamber Room [Experience], it is a God send...a hideaway for much needed time with the Lord. An atmosphere set and prepared to usher in the presence of the Lord, Selah! If you press in while there, escaping all other thoughts except Him, your life will never be the same!

I was particularly refreshed by Nabiyah's writing regarding David and the order that he established in worship. Nabiyah's teaching on The Davidical order blessed me above measure.
